ABSTRACT

This document contains statistics in summary form about higher education in Maryland. The first table compares Maryland data to national averages for educational achievement, enrollment, campus mix in enrollments, degrees conferred, average resident undergraduate tuition and fees, state funding, and average faculty salaries. Other tables contain data in these categories: (1) students, with data on those needing remediation, achievement, enrollment at various levels, and enrollment by race and gender; (2) retention and graduation, by race and for community college transfers; (3) degrees, by institution, major program, and race and gender; (4) faculty, full- and part-time, with data on race and gender and average salaries; (5) revenues and expenditures, by institution level; (6) tuition and fees, by institution level for public institutions; (7) financial aid for undergraduates and graduate students; and (8) private career schools, with data on enrollment and completions. (Contains 33 tables.) (SLD)
